

ZeeSpeed is all about taking your game to the next level, and becoming the best of the best. From the 4 years of camp that I've attended, this mantra has been ingrained in my brain and the desire to become "the best of the best" comes naturally to me now. The coaching staff of ZeeSpeed are constantly trying to help you become a better athlete, and a better student as well. No other camp that I've been to can compare when it comes to the immense support and encouragement that this staff shows for their campers.

Camp this summer really helped me prepare for my sophomore year of college soccer. ZeeSpeed enabled me to take my game to the next level, and keep me mentally strong throughout the two 2-hour practices and fitness tests that take place in the first few weeks of college soccer. Self-motivation has always been hard for me, but I wouldn't want to run 120's with anyone rather than my ZeeSpeed family. I am awe-struck by the amount of kids that want to improve their game, and I think it's amazing to see how much everyone improves by the end of the summer.

This camp helped me to earn a starting spot on my team, and I know that I could not have done this by myself. ZeeSpeed is definitely a necessity for any young athlete looking to become a game changer. I would like to give Zack Smalls and his staff a huge thank you for being so caring and understanding, and for helping me to reach my goal this summer!
